

Good Afternoon,

My name is \_\_\_\_\_ and I am writing you today for your much needed assistance and support. As we are all aware School districts, Youth Programs and Non-Profit organizations across the country have all been dealing with huge budget cuts and are unable to provide the much-needed funds for our athletic programs. Each year A.A.G.B.C, a non-profit booster club, must raise thousands of dollars to support our competitive programs.

American Cheer (American Kids Sports Center) who I happen to be a proud and honored member of is a local organization dedicated to assisting the youths of our community. They are committed to helping achieve what the kids of our communities rightfully deserve, a chance to gain all that competitive Cheerleading offers; Teamwork, Sportsmanship, Confidence, Physical Fitness, and the motivation it takes to overcome challenges.

I am currently seeking individual or corporate sponsors to help me continue on, because without your support I do not believe I will be able to continue for an entire year without your generous contributions. Please take a moment of your time to consider contributing to this extremely worthy cause and something that I hold very true and dear.

Any charitable donation you personally or your esteemed organization can provide would mean the world to me! Any donations I receive will help me with the numerous long distance trips to statewide and national competitions required for the seasons success. I certainly hope you find it in your heart to help me with whatever monetary donation you can provide. Without you support and good wishes in our continued struggle for success, we the youth of today would not be able to dream of competing.

Thank you for your time and all that you already do for our community. Your continued support and dedication to the youth of today is much appreciated and always welcomed. All donations to the A.A.G.B.C. non-profit organization are fully tax deductible, as we are a 501-c-3 corporation.

Sincerely,

---
